The 50 MH3 DX Bulletin

Volume 10, Issue 3

March 1999

ISSN 1073-1024

The 50 MHz DX Bulletin was founded by Harry Schools K3HS. It is dedicated to the understanding and utilization of long distance propagation in the 6-meter Amateur band. The current editor and publisher is Victor Frank, K6FV. Subscription rates are \$20 U.S. third class mail, \$25 U.S./Canada/Mexico airmail, \$25 by surface and \$30 by airmail elsewhere O.S. Canada/Mexico airliant, 329 by Sainter and 350 by Alline research for 12 issues. Circulation matters and DX reports should be sent to Victor R. Frank, K6FV, 12450 Skyline Blvd., Woodside, CA 94062-4554 USA or to P O Box 762, Menlo Park, CA 94026 USA. My Internet address is frank@horizon.sri.com. The bulletin may be freely quoted, provided that credit is given.

Administrivia

I ran out of one-across mailing labels; the ones I ran through my old dot-matrix printer connected to my 15-year old Sanyo computer! Thus I rewrote my Turbo Pascal mailing label printing program in FORTRAN to create a file I could use with WordStar 7 to print 3-across labels with an hpLJII. I also started call correction/address addition procedures for the SMIRK mailing list with the idea in mind of eventually sending sample copies of the 50 MHz DX Bulletin by third class mail to all the SMIRKs in the USA. We're starting out slowly, #s 5801-6000 this month.

I updated our mailing lists as well. Now I know that "computers never make mistakes," but in the unlikely event that you notice that your bulletin has not arrived and that you haven't let the calendar run past your subscription expiration date; just send me a letter of complaint, or money, as the case might be. The expiration code on your label reads EXP 9904 if it expires next month. I solved our Y2K problem by treating year 2000 as 100; e.g., EXP 10101 is January 2001. (It's a feature!)

Two Weeks In Bolivia

Jack Henry, N6XQ, has departed from Bolivia where he made an estimated 250-275 contacts on 6 meters. The trip from the LaPaz airport to Lake Titicaca was four hours by bus. He was only able to run his IC706 barefoot at his first site, but worked into PY and KH6 before moving to Isla del Sol, an island near the southern end of Lake Titicaca. The native population of the island invited him to a 'council meeting' to discuss his presence on the island; the purpose of his antennas; etc. The meeting went well--only cost a little bit to satisfy the local population that he was doing important things--they seemed to be concerned with protecting antiquities from possible loss or damage. He gave his talk in Spanish, which only some of them understand. Think about it--what would you do if some crazy fella who spoke a hither-to-fore unknown dialect of Spanish, climbed to the top of your island and set up weird-looking antennas and sat there all day long listening to noise on a radio--on a rock--and asked if you had a shower--or electricity--or cable TV? (The answer is no to all of these, and there are no cars on the island!) Temperatures, in the 60s during the day, were very cold at night. And so there he sat, at 13,317' with a rented 2500 watt generator on a flimsy extension cord running 300-400W out. That generator failed, and so he was forced to use a smaller one and forego using the amplifier. Last word was that he contracted the 24-hour back-leaping jungle rots and was not feeling very good, he was barely able to hike up the hill that morning (March 26).

SMIRK Contest Dates

The 1999 SMIRK Contest will be held from June 19, 0000Z until June 20, 2400Z (48 hours). Six meters only. Contest rules and log forms will be available by sending an SASE to Pat Rose, W5OZI, P.O. Box 393, Junction, TX 76849, or may be downloaded from the SMIRK Web Site at www.smirk.org.

You do not have to be a SMIRK member to participate. Awards will be given to top scores in each ARRL Section, and individual countries. This is a great chance to pick up new countries or new grids on six meters. Moreover, it is a lot of fun!

1999 50 MHz DX Marathon Dates
Due perhaps to lack of DX, there were no entrants in our
fifth 50 MHz Marathon. Hoping for better propagation, we will
hold our sixth between June 12, 0000Z and July 12, 0000Z. Rules, like last year, will be published in our April issue.

DX Operations
Saipan Is. (N. Marianas {KH0}): JR 1LZK plans to operate 6,
10, & 15 from April 1 to April 4. Yutaka says that he will try to find time to operate, but that this is a family trip.

Mongolia: Look for JT1Y from April 6-15.
Rodrigues Is., 3B9: plans to be QRV starting April 1 with an attended beacon of 50.105, listening on 50.115 & monitoring

28.885 from time to time. de Ned Stearns, AA7A. Ethiopia: ET3BN is QRV on 6m. de SM7AED.

Senegal: A note on the OH2 reflector by ON1LGS indicates that

6W4RK will be QRV in April. No further information.

Western Sahara: Arseli, EA2JG, plans to be QRV on all bands from S09A from March 31-April 13.

Ukraine: Along with a QSL card from UU7JM to G4UPS came news that he hopes to activate grids KN64, KN65, KN75, KN84, and KN85 on 6m this summer.

Greenland: G4UPS notes that Carsten Schou, OX3CS, a local resident of Julianehaab and good CW man is now QRV on 6m

with an Icom 756 (100 W) to a vertical antenna. St. Paul Is.: Look for CY9SS between June 7 and June 14. Also, the West Island ARC of Montreal plans to operate CY9CWI from July 21-28 on 160-6 m.

Revilla Gigedo: XF4BEF will be QRV from Socorro Is. from March 17 to April 2 on 160-6m.

Barbados: Look for 8P9JM on 6m and HF between April 6 and

13. de Mario, K2ZD, command@webspan.net. Galapagos Is: HC5K will go to HC8 Florena Is. EI48 in April. He will also help to locals HC8DH and HC8KU to get started. Brazilian Jungle: ZY8A will be QRV on 80-6m between April 1-4 from the National Park of Anavilhanas Archipelago.

Beacon News

VK3SIX: 50.053 QRT Until Further Notice VK6RSX: 50.306, 144.576 near Exmouth, WA was disabled by Cyclone Vance, and will be off the air indefinitely. Central/South America FM & TV Spurs: WA5IYX notes several wide-band FM signals, 50.050, 50.100, 50.470, and 50.850 in addition to a Spanish audio (spur of Channel 2) on

ZS6DN: on 50.050 is back on the air. de ZS6PJS. GB3BUX: at Buxton in Derbyshire was noted back on 50.000 by

IMPROVING THE FT-847 FOR SERIOUS 50 MHZ OPERATION

A detailed 15-page paper is available to qualified and skilled 50 MHz DXers owning the YAESU FT-847. Inquiry by SASE to WA6JRA. 714-637-3989. Sam Goda, WA6JRA, 1815 N. Woodside St., Orange, CA 92865-4466 USA

Jan-March 99 DX Reports

The following reports of 50 MHz and higher DX propagation are courtesy of SM7AED's Six-metre Info, JA1VOK's column *V,UHF DX Topics* in MOBIL HAM, G4UPS, Y07VS, EH8BPX, VE7SKA, W0MTK, N0LL, W5UWB, WA5IYX, LW5EJU, HP3XUG, TG9AJR, ZL3TY, ZL4AAA and postings on the Internet. Apologies to any sources I may have inadvertently neglected.

The first entry is mmddhhii, where mm is the month, dd is the day of the month, hh is the hour UTC, and ii is the minutes after the hour. The year is understood to be 1999. A + to the right of the time indicates the observation was one of several in a time period and is probably later than the time reported. A ~ indicates approximate time. The grid square of the observing station may occur after a > symbol; however a time after > indicates the opening was still in progress at this time. A t indicates tentative identification of a TV station. Symbols just before the call of the reporting station include: V=Video Carrier, I=Inband video sidebands, F=FM audio, B=beacon, C=CW, R=RTTY, S=SSB, T=Television, W=mode not mentioned (or both CW & SSB), H=heard only.
